

Word Up!

Oh

*Yo pretty ladies around the world
Got a weird thing to show you
So tell all the boys and girls
Tell your brother, your sister and your mamma
too
We're about to go down
And you know just what to do
Wave your hands in the air like you don't care
Gilde by the people as they start to look and stare
Do your dance, do your dance, do your dance
quick mamma
Come on baby tell me what's the word*

*Word up (up up) everybody say
When you hear the call you've got to get it
underway
Word up (up up) it's the code word
No matter where you say it you know that you'll
be heard*

*Now all you sucker DJ's who think you're fly
There's got to be a reason and we know the reason
why
You try to put on those airs and act real cool
But you got to realise that you're acting like fools
If there's music we can use it
Be free to dance*

We don't have the time for psychological romance
No romance, no romance, no romance for me
mamma
Come on baby tell me what's the word

Word up (up up) everybody say
When you hear the call you've got to get it
underway
Word up (up up) it's the code word
No matter where you say it you know that you'll
be heard

Word up (up up) everybody say
When you hear the call you've got to get it
underway
Word up (up up) it's the code word
No matter where you say it you know that you'll
be heard

Word up (up up) everybody say
When you hear the call you've got to get it
underway
Word up (up up) it's the code word
No matter where you say it you know that you'll
be heard
