

## *Y'all Want A Single*

*Y'all want a single say fuck that  
Fuck that, Fuck that  
Y'all want a single say fuck that  
Fuck that, Fuck that  
Y'all want a single say fuck that  
Fuck that, Fuck that  
Boom Boom Boom Boom*

*What's going on today ?  
We gotta break away  
We got a problem and  
I think it's going to make us go down*

*They think we're all the same  
And always we're to blame  
For shit I think is lame  
It's time to stop the game  
I think it's time to pay for everything you made  
me say*

*Y'all want a single say fuck that  
Fuck that, Fuck that (x4)*

*What's going on today ?  
Why must it be this way ?  
We're going nowhere and  
We're still knocking the need to bow down*

*They think we're all the same*

And always we're to blame  
For shit I think is lame  
It's time to stop the game  
I think it's time to pay for everything you made  
me say

Y'all want a single say fuck that  
Fuck that, Fuck that (x4)

We are the ones breaking you down  
We are the hope to drown out your sounds  
Across the world you've fed (?) what you found  
Across the world you're breaking you down

Y'all want a single say fuck that  
Fuck that, Fuck that shit (x4)  
Fuuuuuuuuuuuuuuuuck

Y'all want a single say fuck that  
Fuck that, Fuck that (x6)
