

Dirty

Keep knocking
Noones there
Pouring down
Near people

My head
By myself
All alone
Ripping my hair out
I hurt so bad inside
At least you can see
The world through my eyes
It stays the same
I just wanna laugh again

Keep hoping
Nothing to spare
So my life
Isn't quite there
Feel like a whore
A dirty whore
Such a whore
Dirty

My head
By myself
All alone
Ripping my hair out
I hurt so bad inside

*I wish you could see
The world through in my eyes
It stays the same
I just wanna laugh again*

*I'll die again
I'll die again
I'll wilt again
Into you
You dirty little fuck
Dirty little fuck
You dirty little fuck
Dirty little fuck*

*You dirty little fuck
I will take it*

*I hurt so bad inside
I wish you could see
The world through my eyes
It stays the same
I just wanna laugh again*
