*How did it start ?
Well, I dont know
I just feel the craving
I see the flesh and it smells fresh
And it's just there for the taking
These little girls they make me feel so god damn
exhilarated
I feel them up, I can't give it up
The pain that I'm just erasing
I tell my lies and I despise
Every second I'm with you
So I run away and you still stay
So what the fuck is with you*

*Your feelings I can't help but rape them
I'm sorry I don't feel the same
My heart inside is constantly hating
I'm sorry I just throw you away*

*I don't know why I'm so fucking cold ?
I dont know why it hurts me
All I wanna do is get with you
And make the pain go away
Why do I have a conscience ?
All it does is fuck with me
Why do I have this torment ?
All I want to do is fuck it away*

I tell my lies and I despise

Every second I'm with you
So I run away and you still stay
So what the fuck is with you

Your feelings I can't help but rape them
I'm sorry I don't feel the same
My heart inside is constantly hating
I'm sorry I just throw you away

I just throw you away
I just throw you away
I just throw you away
I just throw you away
