

Holding All These Lies

*Do you really want to see?
 I don't think I can take this anymore
 Do you wanna even I am nothing
 I'm disgusting and so much more*

*Holding all the lies I told you
 Feeling like somehow I spoiled you
 Dying is a trial I've been to
 This is the time for truth and pain*

*Do you really want to see the
 Torment hatred of this world
 Hand in a book and I believed it
 All it brought me was pain and more*

*Holding all the lies I told you
 Feeling like somehow I spoiled you
 Dying is a trial I've been to
 This is the time for truth and pain*

*Holding all the lies I told you
 Feeling like somehow I spoiled you
 Dying is a trial I've I been to
 This is the time for truth and pain*

I believe, I believe

*Holding all these lies I told you
 Holding all the lies I told you*

*Holding all these lies I told you
Holding all these lies I told you
Lies I told you....*

*Holding all the lies I told you
Feeling like somehow I spoiled you
Dying is a trial I've been to
This is the time for truth and pain*

*Truth is pain
Truth is pain
Truth is pain
Truth is pain
Truth is pain*

*I believe
I never meant to hurt you
I believe
I never meant to ?? you
I believe
I never meant to hurt you
I believe
I never meant to hurt you*
