

Uber-time

Oildale (Leave Me Alone)

Look at you
Feeling all good
You cant resist
You have to be all
Up in it
Dont it feel great
Talking Shit
I let it go.

[Chorus:]
Why dont you just leave me alone.
My heart is gonna break from the bone.
Holding on to many things.
Feeling all the hate it brings.
Why dont you just leave me alone.

What a puss
Think youre so tough
I take this shit
All i had was
Loving me
It was so good
But that wasnt enough
You ripped it away

[Chorus]

All the disrespect

All that this has meant
All the ignorant
All the voice you took from me
You tried to be the shit.
Nothin but heretic
Talking about how of me
How could you talk without me
NOW!!!

[Chorus]

Leave me alone!
Leave me alone!
Leave me alone!
Leave me the fuck alone!
