

## *Seen It All*

*I'm an animal  
I'm a victim  
I'm the answer to your prayers  
I'm a witness  
I'm a witch hunt ?  
I'm the monster up the stairs  
I'm the ghost that's  
In the mirror  
I'm everything that you fear  
I'm ripped heart ?  
I'm soul-shot  
I'm the voice that's in your hair*

*I've seen it all  
Still can't taste it  
Smash to the wall  
Brought me to my knees  
I've done it all  
Fucked up, wasted  
Stealing the blood  
Now inside i'm seen*

*I'm the hunted  
I'm the predator  
I'm the answer to the real  
I'm the up-beat  
I'm the head-fuck ?  
I'm the window smashed in the middle  
I'm the player*

I'm the nyeve (cant spell it)  
I'm the one who's not addicted  
I'm the logic  
To the fuck up  
I'm the broken one who fixed it

I've seen it all  
Still can't taste it  
Smash to the wall  
Brought me to my knees  
I've done it all  
Fucked up, wasted  
Stealing the blood  
Now inside i'm seen  
I've seen it all  
Still can't taste it  
Smash to the wall  
Brought me to my knees  
I've done it all  
Fucked up, wasted  
Stealing the blood  
Now inside i'm seen

I'm just a child with the tears in it's eyes  
I am holding this gift that is broken  
why do i have  
left now

I've seen it all  
Still can't taste it  
Smash to the wall

Brought me to my knees  
I've done it all  
Fucked up, wasted  
Stealing the blood  
Now inside i'm seen  
I've seen it all  
Still can't taste it  
Smash to the wall  
Brought me to my knees  
I've done it all  
Fucked up, wasted  
Stealing the blood  
Now inside i'm seen
