

Deep Inside

*I'm not doing great
I feel like I'm dead
Not thinking straight
Inside my body, troubled, full of hate
I had to let it out before it's too late*

*Deep Inside, It can hide!
Feeling so lost and betrayed
why does this happen to me everytime
Stuck in this place, where I can't escape
Screaming and clawing from deep inside*

*Why won't it fade
Outside I had to lie; "I'm ok",
I hope someday, I'll stop getting pain
I guess this is a lie, I have made*

*Deep Inside, It can hide!
Feeling so lost and betrayed
why does this happen to me everytime
Stuck in this place, where I can't escape
Screaming and clawing from deep inside*

*What am I doing ?
I can't believe this
I have been hiding
Wanting to be less
Giving to people,
They take from me*

Always they bring drama to me

Look, look at me now

Nowwwwww

Feeling so lost and betrayed

why does this happen to me everytime

Stuck in this place, where I can't escape

Screaming and clawing from deep inside

I can't stand all this fucking Pain

Please god just go away

Please god just make the pain...
