

Did My Time

*Realized I can never win
Sometimes I feel like I have failed
Inside where do I begin
My mind is laughing at me
Tell me why am I to blame
Aren't we suppose to be the same
That's why I will never tame
This thing that's burning in me*

*I am the one who chose my path
I am the one who couldn't last
I feel the life pulled from me
I feel the anger changing me*

*Sometimes I can never tell
If I've got something after me
That's why I just beg and plead
For this curse to leave me
Tell me why am I to blame
Aren't we suppose to be the same
That's why I will never tame
This thing that's burning in me*

*I am the one who chose my path
I am the one who couldn't last
I feel the life pulled from me
I feel the anger changing me*

Betrayed

*I feel so enslaved
I really Tried
I did my time
I did my time
I did my time
I did my time
I did my time*

*I am the one who chose my path
I am the one who couldn't last
I feel alive full of pain
I feel the anger changing me*

*O god the angers changing me
O god the angers changing me*
