

Embrace

*Life is boring
Sleep is boring
Don't stop running
I'm here counting*

*The life, the hurt, the pain, the hate
The life, the hurt, the pain, the hate
The life, the hurt, the pain, the hate
Will they keep fucking with me
There's no where else to go*

*So I walk but seem to crawl
For I'm giving in today
Now I run into a wall
Cause I cannot find my way*

*You've got to come with me
I can not stand this place
We are crawling up the wall
And I'll give in this way
We had our chance to run
And now I can't believe
We're going all the way
And now the events in place*

*My life, worry, lifeless story
Give up beating
I'll start bleeding*

The life, the hurt, the pain, the hate
The life, the hurt, the pain, the hate
The life, the hurt, the pain, the hate
Will they keep fucking with me
There's no where else to go

So I walk but seem to crawl
For I'm giving in today
Now I run into a wall
Cause I can not find my way

You've got to come with me
I can not stand this place
We are crawling up the wall
And I'll give in this way
We had our chance to run
And now I can't believe
We're going all the way
And now the events in place

What really do I have to follow ?
Nothing makes sense at all
Taking something for nothing
Watch me as I fall

I'm bringing me down x3
I'm bringing me...down

You've got to come with me
I can not stand this place
We are crawling up the wall

*And I'll give in this way
We had our chance to run
And now I can't believe
We're going all the way
And now the events in place*
