

Did My Time

*Realized I can never win
Sometimes I feel like I've failed
Inside where do I begin
My mind is laughing at me*

*Tell me, why am I to blame
Aren't we, supposed to be the same
That's why, I will never change
This thing that's burning in me*

*I am the one who chose my path
I am the one who couldn't last
I feel the life pulled from me
I feel the anger changing me*

*Sometimes I can never tell
If I got something left of me
That's why I just hang in grief
For this, cuz you're leaving*

*Tell me, why am I to blame
Aren't we, supposed to be the same
That's why, I will never change
This thing that's burning in me*

*I am the one who chose my path
I am the one who couldn't last
I feel the life pulled from me *The pain in me*
I feel the anger changing me*

Betrayed

I feel so, enslaved

I really tried

I did my time

I did my time x4

I am the one who chose my path

I am the one who couldn't last

*I feel the life pulled from me *The pain in me**

I feel the anger changing me

Oh god, the anger changing me x2
