

Let's Get This Party Started

*When it's crying
Take me on second place
Which you don't often find
I see a family walking
Always thinking of
Being somewhere else in time
So I fall face down
In a rut
I can't seem to get out of
Please wake me
Please give me some of it back
The feelings I had*

*Sometimes I wish
I could be strong like you
It doesn't matter
Each time I wake
I'm somehow feeling the truth
I can't handle*

*Let's get this party started
I'm sick of begging you
You make me feel insane
Which I did to you
Let's get this party started
You make me feel insane
I want to be the one
To make myself sign*

Time is ticking
It makes me feel content
With what I have inside
Constant paranoia
Surrounds me
Everyone I see
Is out to get me

So I fall down
In a rut
I can't seem to get out of
Please wake me
Please give me some of it back
The feelings I had

Sometimes I wish
I could be strong like you
It doesn't matter
Each time I wake
I'm somehow feeling the truth
I can't handle

Let's get this party started
I'm sick of begging you
You make me feel insane
Which I did to you
Let's get this party started
You make me feel insane
I want to be the one
To make myself sign

You make me feel insane

*Sometimes I wish
I could be strong like you
It doesn't matter
Each time I wake
I'm somehow feeling the truth
I can't handle*

*Let's get this party started
