

Helmet In The Bush

'ello, esta Caco

et eres Caco

*Well, you know, you fuck'n call me the Caco, okay
?*

I keep asking, what's your lie ?

It is disturbing

This isn't mine (Why)

Days keep passing

A lot of time (Me)

I don't feel right

Please God let me sleep tonight

Everyday confronted circumvents giving in

I just wanna know why

Don't give it up

Don't hit my stick

I keep asking

Well, again, please try

It is haunting

This takes my mind (Why)

Days keep passing

Line after line (Me)

I don't feel right

Please God let me sleep tonight

die tonight, die tonight, die tonight

*Everyday confronted circumvents giving in
I just wanna know why*

*Don't give it up
Don't hit my stick*

*Please God
Please God
Please God help me
Please God free me
Please God save me
From my painful situation*

*Please God don't let me slip in tonight, please God
Oh, please God don't let me chip in tonight, please
God
Oh, please God don't let me slip in tonight, don't
let me die
Please God don't let me give in tonight, don't let
me die*
