

No Place To Hide

Ha Ha Ha

*I see your faces and I do not understand why
Each time I dream you stand in there, right by my
side*

*Why do you make me, you take my pride
And in my eyes you kinda rape me, inside*

Refrain:

*I have no place to run and hide
I have have no place to hide which I like*

*Some look at the time, I looked back into my life
You want to touch me to see what's in my eyes
Why do you make me remember all the hate all
its shame*

Don't you hate me, sometimes?

Refrain

I have no place to run, so come on follow me

I don't know where to run, so come on follow me

*I have no place to run
...which I like*
