

## *No One's There*

*You and me  
We have no faces  
Soon our lives they'll be erased  
Do you think they will remember ?  
Or will we just be replaced  
Oh I wish that I could see  
How I wish that I could fly  
All the things that hang above me  
To a place where I can cry*

*So why can it be ?  
No one hears because  
Echoes back at me  
No one's there  
To all these meaningless feelings  
I can't deal with in my life  
To all these greedy people  
Trying to feed on what is mine  
You've got to feel your hunger  
And stop fucking with my mind  
I know it's time to leave these places far behind*

*You and me  
We have no faces  
They don't see us anymore  
Without love as they had promised  
And no faith for what's in store  
Oh I wish that I could see  
How I wish that I could fly*

*All the things that hang above me  
To a place where I can cry*

*So why can it be ?  
No one hears because  
Echoes back at me  
No one's there  
To all these meaningless feelings  
I can't deal with in my life  
To all these greedy people  
Trying to feed on what is mine  
You've got to feel your hunger  
And stop fucking with my mind  
I know it's time to leave these places far behind*

*Where are all these feelings hiding ?  
Dancing in and out my mind  
Burning up all that I long for  
Feeding me till my decline  
Where are you ?  
My soul is bleeding  
I am searching  
Am I blind ?  
All alone and bound forever  
Trapped inside me all the time*

*To all these meaningless feelings  
I can't deal with in my life  
To all these greedy people  
Trying to feed on what is mine  
You've got to feel your hunger*

*And stop fucking with my mind  
I know it's time to leave these places far behind*
